

LETHBRIDGE

# The story of the wine...

## 2017 Lethbridge Pinot Noir

**Winemaking:** Sourced from four single vineyards in Geelong, two in the Moorabool Valley (Hillside Haven & Springbank) and two from the Bellarine (Hat Rock & Suma Park)

All fruit was handpicked and fermented separately to keep the individual vineyard characters distinct.

Each parcel was treated the same; wild yeast fermented with around 40% whole bunches. The wine was then matured for 10 months in 40% new French oak barriques. After rigorous tastings we blended the wines to create this wonderful Pinot Noir in the Lethbridge style.

### Awards & Reviews:

**SILVER MEDAL, 93 points, Decanter World Wine Awards**

**94 points, Campbell Mattinson, The Wine Front**

"This is a very good release. Fruit where it needs it, spice over the top, undergrowth and bunchy notes threaded through. Texture. Satiny texture. And the most fine-grained tannin imaginable; it rumours its way through the wine. Expect a savoury, fine-drawn wine of character and length."
