The story of the wine...

Hillside Haven Pinot Noir 2018

Owner: Noel Payne

Subregion: Moorabool Valley

Planted: 1998

Clone: D2V5

Soil Type: Quaternary Basalts on granite

Elevation: 254 meters above sea level

The Story:

"What I like about this vineyard, is that it's not about structure but about perfume, the granite gives you this lightness of touch. While most of Geelong is planted on basalt clay and limestone, this is totally unique. Etherial perfume and a mineralogy rarely seen in Geelong Pinot Noir" Ray

Winemaking Description:

Wild yeast fermented with around 40% whole bunches. The wine was then matured for 10 months in 40% new French oak barriques.
