

LETHBRIDGE

## The story of the wine...

### 2019 Vito Corlione 'Super Sicilian'

#### The Story:

We have all heard of Super Tuscan (can't use the T word) and many of us have indulged in many a bottle and my case, with our Hugo George, making wines that nod in their direction. This wine is a blend of Sicilian native, Nero d'Avola, Cabernet Sauvignon, Malbec and a whisper of Sagrantino. This combination produces a powerful blend of plush, ripe berries, with a good dose earth and leather. The impressive balance between power and freshness made this one our favourites from the 2019 vintage.

#### Winemaking Description:

Varietals were fermented separately and aged for 10 months in a mixture of new and older oak before blending and maturing for a further 1 month prior to bottling.

#### The Wine:

A basket of forest fruits with dark cherries, red berries, and herbal nuances with a bold structure of smokey-sweet spices and vanilla.

Vintage:	2019
Grape variety:	Nero d'Avola, Cabernet Sauvignon, Malbec, Sagrantino
Bottled:	February 2020
