The story of the wine...

2020 Mietta Pinot Noir

The Story:

Vintage 2020, like all of 2020, was undertaken under the shadow of Covid-19. Our 'Friends pick' was cancelled, our vintage crew crushed grapes and pressed wine all while social distancing and not one vintage dinner was shared. Yet Covid has also given us something. Covid gave us time. For many this was a lonely time, but for others it was a time to slow down, learn new skills and explore hobbies. We savored the time with our family, played board games with our children and really appreciated the 'rural' life we lead. Like many people we also took the time to drink some special wines...

We think that this Pinot Noir is a very special wine, named after our daughter, Mietta, for whom the lockdown was no trouble being the homebody she is, just goes to show how different we all are. Cheers to Mietta

The Wine

From our old vines at Lethbridge, 80% whole bunch and aged in 100% new oak. Spicy perfumed nose, classic Mietta umami savouriness with delicate red fruit and an endless finish that will only get better with time.
