## The story of the wine ...

### 2021 JD Drumborg Chardonnay Single Vineyard

**The Story:** *Our love affair with the Henty wine region continues to blossom with the inception of this JD Chardonnay. The fruit for our Pinot Gris and Riesling have for many years been sourced from this region. We have recently produced delicious Pinot Noir with Henty fruit, and let's not forget great Sparkling wine, the style for which this region was originally planted. But in recent years as the climate continues to warm, we have seen some great character in the Chardonnay fruit from Jack and Lois Dovan's vineyard and rather than pick it early for Sparkling wine, we have decided to go all out and make a 'nothing spared' Chardonnay.*

**The Wine:** This is a harmonious wine which will be very long lived, if you have the patience! A nose of quince and stonefruit, white peach and green nectarine with notes of struck match and lime citrus. The palate has great tension, flinty minerality and has beautiful acidity, reminiscent of somewhere in the old world that we are not allowed to mention, so taste for yourself and guess..

Vintage:	2021
Vineyard:	Dovan
Region:	Henty
Aging Potential:	10+ years
Alcohol:	13.1%
Cellar Door Price:	\$68
Bottles Produced:	790
