

LETHBRIDGE

The story of the wine ...

2023 Estate Riesling

The Story: Riesling is finally experiencing a well deserved resurgence in popularity among wine lovers. The plethora of styles available, combined with its ability to be paired with a variety of foods should make Riesling a go to wine. At Lethbridge, we have been working with this Noble variety for nearly two decades and in this time experimented with many styles, from dry to sweet, sparkling to amber. This Riesling follows one of our well travelled roads.

The Wine: Sourced from cool climate vineyards near Mount Gambier, noted for its limestone soils and cooling coastal breezes. Partially whole bunch pressed and wild fermented in stainless steel, the ferment is kept cool to retain delicate aromatics. Aged on lees to increase complexity before bottling.

This Riesling has complex aromas of citrus and sherbet interlaced with musk stick and floral notes. These play wonderfully with a crystalline acidity and long fresh finish.

Vintage:	2023
Other Vintages:	First release
Variety:	100% Riesling
Residual Sugar:	14g/L
Bottled:	August 2023
Alcohol:	10.5%
Cellar Door Price:	\$42
